

REMARKS

Claims 1 and 2 have been canceled. Claim 3 has been amended to be rewritten in independent form incorporating the limitations of claim 1. It was not necessary to recite the limitations of claim 2 since these limitations are already redefined in claim 3 in substantially narrower scope.

Claim 3 has been further amended to overcome the Claim Objections on page 2 of the Office Action.

Claim 6 has been amended to now depend to claim 3.

Allowable Subject Matter

Claim 3 as amended, along with claims 4,5, and 6 now depending thereto, are now pending and are believed to be allowable under the Examiner's stipulation on page of the Office Action. Each issue raised in the Office Action has been addressed and remedied and no new matter has been introduced; therefore it is believed that pending claims 3-6 are in order for further examination and allowance. Such action is earnestly requested. ;

No additional fees are seen as required at this time.

Respectfully submitted,

by
